

SOUTHERN CALIFORNIA CHAPTER

2007 Officers:

President: Jerry Pell
Vice President: Leslie Hoffman
Secretary: Shirley Nix
Treasurer: Lloyd Osmundson
Board Representative: Frank Nix
Reporter: Shirley Nix

The Southern California Chapter is alive and well, with meetings every other month, usually in the even numbered months.

We had a barbecue in July, 2006, at the Nix home, and another one in May of 2007. We found out that May is better, since in July it was 109 degrees!

We met at the home of Jack Conway in October, 2006, and had the fun of enjoying his great collection. We had a Christmas party arranged by and shared with the local MBSI chapter at the wonderful home of Dana Bashor.

February found us at the Nethercutt Collection at San Sylmar, always a favorite destination, made even more so this time by a lunch and then a visit to the home of our Vice President, Leslie Hoffman.

We have no meeting scheduled for June, since the trip to Germany and Holland starts so early in July.

We have also had organ rallies at Los Rios Ranch, the South Coast Botanical Gardens, and we will be in Sierra Madre on July 1, to start off their Holiday weekend.

We have been busy planning the 2008 Convention and making table favors. It's been a lot of fun, and we look forward to having you all here.
