

CONVENTION CHAIRMAN'S REPORT – 2008

The following conventions are scheduled:

2008 – Southern California Chapter, Woodland Hills, California

2009 – Midwest Chapter, Cincinnati, Ohio

2010 – Sowny Chapter, Buffalo, New York

That's all we have lined up, and if the other chapters won't host a Convention there is the possibility we will have to do away with Conventions altogether and just have Board meetings, with voting by mail. If you can get your chapter to host, please let me know....EVERY Chapter is obligated to host a Convention. A few chapters can't be expected to host if others are not willing to do so.
