

PAST PRESIDENT'S REPORT

Summer 2008

As it is with all good presidents, the Past President usually has a very lonely tenure. I did respond to a few e-mails that were sent my way from President Motto-Ros, but other than that, all seemed quiet on the Western Front. One other duty of the Past President is to find replacements for any officers leaving their position. Fortunately, President Motto-Ros has a dedicated Executive Committee that will be staying for another term.

Respectfully submitted,
Mike Walter Lancaster, NY
