

AMICA Annual Report
Of the Immediate Past President
2009

The duties of the Immediate Past President are to be a member of the Executive Committee and to supply to the President history and opinions relating to current business matters, when requested by the President. The Immediate Past President also serves as Chairman of the Nominating Committee when appointed by the President.

So far, this year has not been full of momentous events. I have advised the President concerning a couple of matters. Next year should be busier with the election of some new officers.

Respectfully submitted,

Mike Walter
