The Pacific Can-Am Chapter has 25 household memberships, representing 36 individuals in Washington State and British Columbia, Canada. Chapter funds stand at approximately \$6200 and dues are \$10/year per household. Four meetings are held a year. In the past year, they have been in Sequim, WA, Spokane, WA, Kent, WA, and Mercer Island, WA. Meetings consist of an afternoon gathering, a business meeting, a mart, some sort of demonstration or workshop, and a meal, often a potluck. The Chapter jointly hosts an organ rally with the Columbia River Carousel Organ Association and this year it will be held in Richland, WA in June. Other chapter activities include the continuing maintenance and demonstration of the Knabe Ampico piano in the Seattle Paramount Theatre.

Respectfully submitted,

Dan Brown, Board Rep
