The chapter had 4 scheduled meetings in the year 2009. In March, the chapter shared a joint weekend meeting with the Sunbelt Chapter of MBSI in Houston.   This meeting included 3 home tours: Dr Ray and Nancy Dickey, Darwin and Judy Kleintob, and Allen Bies and Steve Boehek's Victorian manson . A memorable treasure of this meeting was an inspiring and educational talk by the late Marty Roenigk.   What a memorable experience that was.   He is sorely missed by all of us.

Our September Meeting, a piano/organ concert, "The McKinney Blues", was unfortunately cancelled due to the illness of one of the performers.   The program has been rescheduled for August this year.

In October, we hosted a joint weekend meeting in Dallas with the Sunbelt Chapter of MBSI. Rick and Alla Wilkins hosted members at the Olden Year Musical Museum in Dunkanville with a tour and an informative lecture. Michael & Maureen Barisonek opened their home to members.   The next day, Bill & Sharron Boruff hosted a breakfast visit and Richard and Janet Tonnesen hosted a luncheon vist at their homes.

Our Christmas Dinner Meeting was held at the home of our President, Rich Clayton. This is always a special meeting with a catered meal and a Christmas Chinese gift exchange that always brings a lot of laughter.   Rich gave a report from the annual convention is Cinncinati.

This year has a full schedule of meetings planned, thanks to Bill Boruff.   The chapter is healthy and led by a great team of automatic musical instrument aficionados.

Viva la Amica!
